

src/StructureLink.cpp

```
graph TD; A[src/StructureLink.cpp] --> B[StructureLink.hpp]; A --> C[Store.hpp];
```

The diagram illustrates a dependency relationship. A central box at the top, labeled 'src/StructureLink.cpp', has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'StructureLink.hpp' and the right box is labeled 'Store.hpp'. This indicates that the source file 'src/StructureLink.cpp' depends on or includes both header files.

StructureLink.hpp

Store.hpp
